Dear Nick:

Im back from Northern California and have spoken with Chris Rider at Hollywood DOT regarding your request. I have completed the petition package for your review and Chris (DOT Engineering) and myself would like to schedule a brief meeting with you at your site - possibly tomorrow? What works best for you? I am around this week, except for Thursday. Respond to all in this email so that Chris will be kept in the loop.

Best,

Hey Dan, we are now ready with signatures and paperwork for DOT. Is there a time at the end of this week where we could set up a meeting with them and walk through the steps together of what needs to happen?

Thanks and look forward to hearing from you.
